Choose 1

A: Tea Tree Soap

Ingredient : Glycerine, Anti-Bacterial Essentials, EDTA-BHT, Tea Tree Extracts

- NICCI Tea Tree All Clear Soap is a 100% natural and organic product and does not contain any SLS, Chemical, Synthetic Color, or Fragrance.
- It helps in controlling excess oil and reduces acne.
- It is 100% pure and cold processed.
- The product is ideal for all skin types like dry, oily, combination, normal, or even sensitive.

Benefits

- Soothing dry skin by reducing any itching and irritation.
- Reducing the discomfort of itchy skin.
- Faster Healing any cuts or wounds on the skin.
- Sanitizing the body with its anti-fungal and anti-bacterial properties.
- Help in removing dark spots and scars.
- Help in removing dandruff or dry skin flakes that fall from the scalp.
- Reducing any chronic skin problem and reducing the chance of their reoccurring in the future.
- Moisturizes the body and gives a soft texture.

B: Glutathione Brightening Soap

Ingredient : Glycerine, Avocado, Papaya Extract, Glutathione & ESTA-BHT

NICCI has introduced an incredibly amazing worthwhile whitening soap, skin whitening soap richly constituting the nano-molecules of Glutathione as well as 100% fresh collagen. It proves itself favorable in eliminating the dead skin cells from the upper layer of the skin and thus making the skin feel and look elegantly glowing, soft, light, and white.

How to Use

- Wet your face properly then apply the Glutathione Soap and gently massage on the face in circular motion.
- Let the skin get formed up nicely.
- After 2 to 3 minute, drench the face off with an adequate amount of clean water.
